

Walking Safaris

A remarkable safari experience for the intrepid adventurer...walking safaris in wild Laikipia and Ruaha!

Karisia Walking Safaris in Laikipia, Kenya.

Head off on a 3, 4 or 5 night walking safari which takes you everyday to a new camp set up deep in the Karisia private reserve usually on the banks of the Ewaso Nyiro river. Karisia is a truly mobile walking safari. Very comfortable camps with excellent fresh food which you look forward to after a 3 to 4 hour walk through the bush.

On a recent visit, while having lunch in camp, our expert guide noticed that a herd of elephant had come to drink water at the river barely 500 mtrs from us. We left our lunch in a hurry and walked briskly but carefully so as not to alert them. Finally we were 50 mtrs away from this wonderful herd of wild elephants on foot watching them drinking and playing in the water. Suddenly the wind turned and blew from us to the elephants. In a flash the elephants turned around and ran up the bank and disappeared into the bush!

Kichaka Walking Safaris Ruaha.

Ruaha is a fabulous wild park in Southern Tanzania and the game viewing is outstanding here. Kichaka operates in the area of Ruaha which is the most untouched and wild. There are no permanent camps here and Kichaka is the only operation. It is your private paradise! Head off 3, 5 or 7 nights walking safari with your expert guides who have lived and worked in Ruaha for years. The camps, the food and the guiding are to an impeccable high standard.

The thrill and adrenaline rush of encountering a herd of elephants, buffalo, giraffe, lion, leopard or wild dogs on foot is incomparable. One can hear one's heart beating loudly in the total silence while we are crouching and walking to come close to our sighting. And then in that moment when you are close both observer and observed suddenly become linked together inexorably and seem to merge! And camping under the magnificent canopy of stars, sipping your favorite drink around a campfire and listening to the sounds of the bush is an awe inspiring experience!
